Referee Information Update

Skills training for Association Referee VS-2.

7 members of our association have followed the training for VS-2 Referee and completed it with success!

Dames 2: Ilse Ceelie and Yonne Kuit

Dames 3: Marieke de Gijzel, Bodwine van Sluis and Inge Tanja

Heeren 3: Mike Sol and Thierry van Trirum

Congratulations ! Well Done.

Game rule key:

This season, the A and B youth teams should also whistle a couple of matches, therefore completing the Game Rule is mandatory for all players.

You can do that at "volleybalmasterz.nl" in your own time!

With this license you are also authorized to be the referee of the matches assigned to your team.

If you need any help with that please contact [Hans Vinken](#). He is happy to help you with that.

Zaaldienst update

In the previous newsletter it was announced that for the senior teams, Zaaldienst will be tested in the coming months, where the teams are responsible for supplying referees, bar volunteers and ensuring that the room is left tidy by the end of the day.

So far, we have received questions and feedback from various people, which we will take into consideration as good as possible into the future.

In the past few weeks, several referees have applied and have already received training. If there are other people who want to follow the referee course, please feel free to contact [Hans Vinken](#) for this. [Patrick Heijboer](#) can be contacted to meet the requirements of a bar volunteer. Overall, the feedback is positive and we have made the schedule right up to the Christmas holidays.

We would like to provide you with the following information about the Zaaldienst to prevent any uncertainties:

The schedule indicates the level of referee required for the specific matches;

On Monday's, the team responsible for the Zaaldienst also have to ensure that there is one bar volunteer behind the bar during the matches. - After the games, the other team members must help the bar volunteer;

The referees of the last matches of a day, both on Monday and Saturday, must ensure that the playing teams leave the room tidy;

On Saturdays, youth teams will also be designated for supplying a referee of a few matches in addition to the senior (teams) assigned;

The responsibility for setting up the fields lies with the team that plays first on that field and the responsibility for cleaning up with the team that plays last on that field. Parents, guardians, coaches, trainers, and referees are more than welcome to help the teams with this, but the responsibility lies primarily with the teams;

In the current schedule, the "Room service" column lists a senior team and then a / with a number. This number is for us to keep track of how often a team has been designated for the room service. This does not mean that several teams are responsible. "HS1 / 3" means that for the third time this season HS1 has a hall service responsibility. The aim is to ensure a fair distribution of the total of the season.

For any questions and/or comments to improve the room services, please contact [Hans Vinken](#) and [Rick Ottenhof](#). See below the schedule up to the Christmas holidays:

Blacklight tournament

On Thursday 24th October we are organizing a Blacklight tournament for the second time. This edition is accessible to all members of the association. Members are also more than welcome to bring introductions. The playing times are as follows:

17:00 - 18:00 ☑ Minis

18:20 - 19:40 ☑ Youth

20:00 - 22:00 ☑ Senior and recreanten

Because it will take place during the autumn holiday and some members will be away on holiday, varied teams will be made for the tournament from the members present. In this way, we can make sure all players who would like to participate will have a team to play with.

From 16:00 the room will be transformed into a Blacklight volleyball festival. It will be great fun! We are still looking for volunteers who want to help with setting up the fields and/or supervising the mini and youth tournament. In particular, we would like to ask the help of our youth members to set up and supervise the mini tournament during the autumn holidays. If there are any questions or if you would like to register in advance to come and help, you can contact Paul Weijers, [Enid van Ommen](#) or [Rick Ottenhof](#).

We hope to see you all on the 24th and think of a beautiful, striking outfit
